Dear Dr Farhat Saleemi,

I hope my letter finds you in the best of health. I am very pleased to have GC Women University as the 69th member of Pakistan Chapter of the Talloires Network (PCTN). I very warmly welcome you to the association of Pakistani universities working to strengthen civic roles and social responsibilities of higher education across Pakistan.

PCTN serves as a platform for all member universities to share their civic engagement programs and activities through organizing various trainings and collaborations for civic engagement, holding conferences and seminars, giving awards for best community service programs, publishing a bi-annual newsletter and maintaining a website.

I look forward to having a vibrant participation from your university to promote the cause of working for our people and our communities.

With profound regards

Yours sincerely,
